

Call for large amounts or clarification about specs.

CLOSED Sat Sept. 2nd & Mon Sept. 4th for Labor Day

Copper	Price/lb.
Bare Bright Wire (stripped/shiny)	\$2.50
#1 Tubing (clean tube/ clean fine wire)	\$2.45
#2 Tubing (paint/solder/burnt wire)	\$2.20
Tin Plated (wire/bus)	\$2.20
Enamel Coated (wire/bus)	\$2.20
Light Copper (used roofing/pots)	\$1.75
Clean Aluminum/Copper AC Coils (free of steel)	\$1.00
Irony Aluminum /Copper AC Coils (just steel edges)	\$0.90

Insulated Copper

Heavy Ins. (350-500 mcm THHN 85%+)	\$1.80
#1 Insulated (10-12 THHN 80%+)	\$1.70
Romex 65% (underground \$.20 less)	\$1.40
Communication 50% (no aluminum/no tin plate)	\$1.00
Clean Extension Cord 40% (no plugs/no tin/no SO)	\$0.50
Low Yield 40% (tin plate/aluminum shield)	\$0.45
Low yield less than 40% (Christmas lights/ribbon wire)	\$0.15
Insulated Heliac (all copper/hollow center)	\$0.95
Aluminum MC (containing copper wire)	\$0.90
Steel BX (with copper/ no lead shield)	\$0.30

Brass

Yellow Brass (clean)	\$1.25
Irony Brass (contamination/handles/graded upon inspect.)	varies
Red Brass (determined upon inspection)	\$1.35
Clean Auto Radiators (copper and brass combined)	\$1.10
Dirty Truck Radiators (copper and brass combined)	\$0.50
Radiator Cores (mostly brass and solder)	\$0.65

Stainless Steel (non magnetic)

304 Prepared (4 ft. or smaller and clean)	\$0.30
304 Unprepared (larger than 4 ft./3% contamination)	\$0.15
316 stainless (4 ft. or smaller and clean)	\$0.35

Aluminum

Alloy Wheels (tire completely removed/no chrome or plastic)	\$0.45
Extruded Aluminum (free of plastic/other metals)	\$0.50
E.C. Wire (free of insulation and steel)	\$0.50
Litho Plate (clean)	\$0.50
MLC/New Clips (no paint or other contamination)	\$0.45
Aluminum Siding (no backing/steel nails/plastic film)	\$0.45
Contractor Siding (Clean)	\$0.50

Mixed Aluminum/Old Sheet (1% contamination)	\$0.40
Clean Aluminum Radiators (No tanks)	\$0.40
Dirty Aluminum Radiators (With tanks)	\$0.20
Cast Aluminum (1% contamination)	\$0.35
Aluminum Cans (under 100 lbs.)	\$0.40
Aluminum Cans (over 100 lbs.)	\$0.45
Insulated E.C. (can vary based on contamination)	\$0.20
Irony Aluminum	\$0.10
Foil (no food scraps)	\$0.01

Lead/Batteries

Soft Lead (clean and maleable)	\$0.40
Wheel Weights (unsorted)	\$0.10
Wheel Weights (sorted)	\$0.15
Auto/Industrial Lead Acid Batteries	\$0.23
Battery Backup Lead Acid Batteries/Steel Cased Forklift	\$0.20

CBM (copper bearing material)

Small Electric Motors (basketball or smaller)	\$0.15
Large Electric Motors (cast iron case/larger than b-ball)	\$0.13
Light Ballasts (marked no pcb/no flourescent type)	\$0.08
Sealed Units (oil must be drained)	\$0.10

Steel

Shredder/Unprepared Plate & Structural	\$0.0550
Vehicles (must have title)	\$0.0550
Cast Iron	\$0.0700
Prepared #1 (5'x2'x2'max and 1/4" min. thickness)	\$0.0700
Clean Cast Rotors	\$0.0700

These are indications only and are subject to change at any time due to market volatility
